Subject: Climate Stewards - Welcome to the Team!
Date: Thursday, September 2, 2021 1:23:00 PM

Hi Meta,

I just emailed with Sandra and she let me know that you will be taking the 2nd Pleasant Valley slot (along with Jean) so we are pleased to let you know that you have been accepted into the Climate Stewards program. Congratulations and welcome! **Please reply to this email as soon as possible or by the end of the business day today to confirm your spot in the program.** **Please note:** We have made a slight modification to the schedule to skip Thursday, September 16th in observance of Yom Kippur. As such, we will extend the training for one extra week which will make December 16th our last session. We hope that with this advance notice you will still be able to make all the sessions, however, if needed, you may view a recording of the final session.

Sometime today I will be adding you to the course and you will receive an email from Canvas (the online learning platform we will be using for the course). Please keep an eye out for that email which will direct you to accept the invitation and create your login information. I will be reaching back out to you later this week or early next week with further course information. We are looking forward to working with you! Thank you again for your interest and enthusiasm in the Climate Stewards program. Please reach out if you have any question.

Best,
Hazel
