

PE 4 Solar Energy Installation

Description of Installation

A 5.1 kW DC Photovoltaic Solar Array was installed on the Frank D. Greco Senior Center, 207 Market Street, Saugerties, NY on January 16 and 17, 2017 by Direct Energy Solar, a certified NYSERDA installer, <https://www.nyseda.ny.gov/All-Programs/Programs/NY-Sun/Solar-for-Your-Business/How-to-Go-Solar/Find-a-contractor/Commercial-Installer> vetted by Solarize Hudson Valley and a selected installer by the Solarize Saugerties Campaign. The solar array was a donation to the town by Direct Energy Solar as a result of a successful Solarize Saugerties Campaign. Schematic of installation attached.
