### Furniture Sharehouse

Do you have gently used furniture that you can't find a new home for? The Town of Mamaroneck, Village of Larchmont and Furniture Sharehouse have teamed up to make it easy for you to get your furniture directly to families in need to help them "make a house a home."

Available now at the 40 Maxwell Avenue Recycling Facility is a 20' container to collect gently used furniture for distribution directly to families moving out of homeless shelters, escaping domestic violence or recovering from disasters. **Furniture drop-offs will be accepted at 40 Maxwell Avenue at the following times:**

Monday-Friday 8:00 a.m.–3:00 p.m.  
Saturday 8:00 a.m.–11:45 a.m.  
**CLOSED WEDNESDAYS**

Only certain types of furniture in Good Condition can be accepted at this location. Details are posted at the 40 Maxwell Avenue facility and on the Town of Mamaroneck and Village of Larchmont web sites.

"The Town of Mamaroneck and Village of Larchmont have a long history of successful material recycling. This collaboration will further our efforts to keep as much reusable material out of the waste stream as possible," says Town Supervisor Nancy Seligson. Mayor Anne McAndrews commented that "Everyone hates to see perfectly good furniture placed at the curb for disposal. Working with the Furniture Sharehouse we can provide usable furniture to those families unable to afford basic needs for their apartments."

Since 2007, Furniture Sharehouse, Westchester's Furniture Bank, has distributed over 32,000 items of free furniture to more than 2,100 Westchester families in need. Furniture donations are collected in a warehouse at the Westchester County Airport and clients must be referred by member social service agencies in order to obtain furniture. "We are very excited about working with the Town and Village. Programs like this help us save on expensive trucking costs for collecting furniture in one location," says Kate Bialo, Executive Director of Furniture Sharehouse.

Furniture Sharehouse also accepts furniture donations at its Westchester County Airport location, and pickups are available for qualifying items. For more information and complete Donation Guidelines go to [www.furnituresharehouse.org](http://www.furnituresharehouse.org)
