Hello Amanda,

Two pages of additional documentation like you describe sounds like precisely what's needed for the full points for action 3.1. An attachment to an email would be best; that way I can easily file it in the 3.1 folder. Thank you.

Hello Dazzle,

I have the documentation on the audit. Please let me know what format to submit it in e.g. in an email in or as an attachment. (Documentation consists an explanation on the scope of the audits performed as well as a list with the square footage of the audited buildings. We audited all buildings areas that we occupy and own. Total of about two pages.)

Alanna,
Action 3.1 (bldg. audits) is an action with tiered points. In order to award Ulster the requested 8 points, we need evidence that the audited bldgs. comprise at least 75% of the county's properties and that it was an ASHRAE level 2 audit. This information is missing from your submittal form and backup documents.

For 8 points, the 75% can be calculated from number of bldgs. (e.g., 27 out of 36 = 75%). Or it can be calculate by % of square footage (s.f.). The audit covered 27 bldgs. and 983,761 s.f. Can you provide information on the either the total county-owned s.f. or the total number of bldgs.?

Can you also confirm that the audit was equivalent to ASHRAE level 2 audit? It looks quite detailed. Here is how the manual describes this type of audit:

" ... ASHRAE Level-2 audit, which evaluates the building energy systems in detail to define a variety of potential energy-efficiency improvements. This evaluation should include the building envelope; lighting; heating, ventilation, and air conditioning equipment; domestic hot water; plug loads; and compressed air and process uses (for manufacturing, service, or processing facilities)."

Thanks.

Good morning Alanna,

We did receive the email below yesterday with the link from the FTS. But it only connected me to a certification workbook (an Excel doc, about 2 MB). (The DEC's File Transfer System is only needed for sending large files, between 25 MB and 2000 MB. We cannot receive files over 25 MB via email.)

Did you only intend to send the workbook? Let me know if there are other files that didn't come through.

Hi Dazzle,

I uploaded the files and a message appeared claiming that they were uploaded successfully. Can you let us know that you received it? Thanks for all your help!

Best,
