Electronics Recycling at UCRRA

The NYS Electronic Equipment Recycling and Reuse Act went into effect on April 1, 2011. The law will ensure that every New Yorker will have the opportunity to recycle their electronic waste in an environmentally responsible manner. Got some old electronics? Regardless of where you bought it, what brand it is, or how old it is: bring it to us. We'll make sure it's properly and safely recycled.

RECYCLE YOUR ELECTRONICS FOR FREE!

Businesses (with less than 50 employees), non-profits (with less than 75 employees) and residents can now recycle their e-waste at the Agency's Office for FREE Monday through Friday from 8am to 3pm.

When bringing in electronics, please pay attention to the following:

- Come directly to the Main Office (first building you see on the right) located at 999 Flatbush Road in Kingston, NY. We will direct you to the electronics collection area
- DO NOT bring the electronics into the Agency Office. This is not where they are stored.
