

Certified Renewable Energy Credits

Certificate No. 205179 | June 28, 2016

OneEnergy Renewables honors

The County of Ulster, New York

Your purchase of Renewable Energy Credits represent a significant commitment to renewable energy and to reducing the emissions from your electricity use. Purchasing RECs is a proven way to build lasting environmental value by supporting new renewable energy projects. OneEnergy Renewables' REC sales are certified by Green-e Energy.

Bill Eddie, President
