KINGSTON >> As the city awaits an engineering report regarding the installation of energy-efficient streetlights, the Ulster County Climate Smart Committee is holding a forum on municipal lighting.

The April 2 session comes in the wake of Central Hudson Gas & Electric Corp. announcing it will let municipalities in its coverage area lease LED (light-emitting diode) units for street lighting.

The forum is scheduled for 4 to 6 p.m. in the Legislature chamber on the sixth floor of the Ulster County Office Building, 244 Fair St., Kingston.

The Climate Smart Committee says the forum is for "local governments to learn about, share experiences with and discuss challenges and opportunities for upgrading municipal street lighting to

Introducing the new patient pavilion.

Spacious, private rooms and 24/7 visiting hours.
