Hi All,

Wanted to let you know we are all set with ICLEI membership dues. Also, wanted to share ICLEI resources in case you want to take a closer look as you work on energy and resiliency planning and actions.

thanks,
Katie

Dear Katie,

On behalf of the entire board, staff and all the ICLEI USA member cities and counties nationwide, we'd like to thank you for renewing your commitment to creating a more sustainable community through your ICLEI membership. We received your dues payment on 1/27/2017 and Tompkins County, NY's ICLEI membership will continue through 2/28/2018.

As a member you will be able to continue to access the growing suite of ICLEI's most up to date tools, call upon our technical experts and participate in a growing network of local communities that are committed to taking action to make their cities healthier, more economically vibrant and ultimately more climate resilient.

In the next month or so, our membership team will be reaching out to you to schedule a check-in call to get a better sense of your needs and how the ICLEI network can be most effective for you.

Here is how to get the most from your ICLEI Membership:

Get Connected
