The purpose of this day is to provide a venue for persons who want to dispose of **unwanted and unused prescription drugs, old vitamins, and/or veterinary meds.** For more information call the locations listed Public Health at 845-513-2222 .

No needles or liquids will be accepted.

According to New York State Office of Alcoholism and Substance Abuse Services, most people take medicines only for the reasons their doctors prescribe them. However, an estimated 20 percent of people in the United States (48 million people ages 12 and older) have used prescription drugs for non-medical reasons. This is prescription drug abuse. It is a serious and growing problem. According to Partnership for a Drug Free America, studies show that each day, approximately 2,500 teens use prescription drugs to get high for the first time. If you know of someone who is addicted to prescription drugs call Catholic Charities in Monticello at 845-794-8080.
