This letter which is available on the village website details the Village's commitment since 2003 to its Stormwater Management Plan, mandated by the United States Department of Environmental Protection and administered by the New York State Department of Environmental Conservation.

The pdf is the most recent of annual reports for MS4s in the Village. In the section titled Minimum Control Measure 5 Post-Construction Stormwater Management, question 3 deals with LID practices. The Village is active in a number of such activities.
