Documentation Submittal Form

Instructions:

Complete this form for each action in which you are submitting documentation to receive points. List all relevant documentation in the fields below for the action. For actions with multiple documents to be submitted, only one form per action is required.

Local Government: Dobbs Ferry

Action # and Name: 7.17 Build or enhance protective shoreline infrastructure

Document(s) Submitted *(list the titles and year released for all documents submitted, or include links to relevant websites with a title and date accessed for the website or webpage)*

DF LWRPPost.pdf (2007)
rfp-waterfront_project-specification_package.pdf (2011)
Groundbreaking for Dobbs Ferry Shoreline Stabilization Project.docx (2011)

Summary of Document(s) Submitted *(Explain why the submitted document(s) meet the requirements for the action. Note any specific pages in the document in which the required information can be found, if only a portion of the document is relevant for the action).*

The DF LWRPPost.pdf outlines the Village's commitment to upgrade existing shoreline edge treatment to ensure stabilization of the soil and prevent erosion, while keeping with the natural character of the shoreline providing for safety and maintenance requirements. In addition, it outlines a Waterfront Park Enhancement and Redesign project. (Page 21 of pdf)

The rfp-waterfront_project-specification_package.pdf details general and specific plans for the waterfront revitalization project. Grey infrastructure has been used in the project.

The Groundbreaking for Dobbs Ferry Shoreline Stabilization Project is an article from the New York Senate that celebrates the groundbreaking for the project.
