Cortlandt Green Team
Goals and Objectives - Report Summary

Committee Name	Goal	Measurement (in terms of goal)	Responsible Team Members	Resources (costs involved)	Was Goal Achieved	If Not Specific Timeline	Comments
Brochure Consolidation	use less paper and save the Town money on printing and mailing costs	cost savings and material savings	Karen McIntyre, Christina Edwards and Rosemary Boyle	None	Yes		The estimated savings is approximately $6,000. The paper savings is 12,500 less copies plus the sanitaiton brochure was 23 pages in 2009 and we reduced it to 8 pages.
Fleet Green Team	Increase awareness, analysis and use of the most efficient products possible to meet the goals of the Green philosophy	List proposal-state action taken and analysis	Jeff Tkacs, Peter McMillan, Chris Pritchard, Jane, John P and Mary B	Personnel	Ongoing	Develop spreadsheet interview and record information from mechanics	
CME	Plan a zero-waste earth day event	by creating zero waste	Claudia Vahey, Dani Glaser, Sharon Palmiotto, Patty Robke	Time Budget personel	Ongoing	Nov - event planning, Dec-research, Jan - outreach, Feb tbd , Schedule a meeting of the CME ASAP	this is the first zero-waste evetn and it will serve as a baseline and learning tool for future events
CME	Have a public display board in TH to post current evnts and consevation info for the Green Team	Used material on hand. Cost savings of $150-200	Sharon Palmiotto, Patty Robke, John Palmiotto	New feld to cover existing board $ 20	Yes		If anyone has 4.5 x 4.5 ft roll of felt to donate that would be great.
Green Fleet Purchases./ Maintenance	Research evaluate and implement green products and vehicles whenever feasible	Spreadsheet indicating initiative, short term results and long term results	Peter McMillian	time , possible cost of product	Ongoing	Request mechanics to try at least on new product per month - subject to department approval	
Purchasing Green	Implement Green products whenever feasbile - Vendor solicitation and samples used by departments	Spreadsheet reporting each measure with analysis	Dave Doyle, Peter McMillian	Day to day cost of products	Ongoing	Meet with vendors and Departments	We attempted Green cold patch on several orders. Hwy reported that it did not perform to the standards of regular cold patch. Similar problesm with green fork, spoons etc. The process works but the products did not.
Recycling/Open space	Increase and make the public aware of efforts put forth by the TOC in recylcing in the parks and getting the schools involved	Amount of recycleables collected and picked up	John Palmiotto, Colleen Anderson	Possible cost of large dumpsters/containers	Ongoing	Looking into the purchase of a dumpster in order to measure the amount of recycleables collected	
Recycling/Open space	to increase recycling efforts and make the sports participants, spectators and families aware of the efforts in trying to get everyone involved	Feedback from park crews for amount of recyclables collected	John Palmiotto	Purchase more recycling containers	Ongoing	At the spring sports coaches meeting to pass on the word about recycling.	Will step up the efforts in the spring by possibly getting the youth teams and coaches more invovled by word of mouth.
