

LAKE PLACID VILLAGE, INC
Resolution #104-2018
APPROVAL OF CLIMATE SMART COMMUNITIES PLEDGE

On motion by Trustee Leon, seconded by Trustee Holderied, the Village Board at their regular Village Board meeting on May 21, 2018, unanimously resolved as follows:-

WHEREAS, the Village of Lake Placid (hereinafter "local government") believes that building a sustainable and resilient community will benefit our local and global environments and economy; and

WHEREAS, the signing of this pledge will improve our infrastructure, winter sports community, and local economy, while conserving our energy and natural resources; and

WHEREAS, the livelihood of our citizens and our community will improve; and

WHEREAS, we believe that our action provides us with an unprecedented opportunity to save money, and to build livable, energy-independent and secure communities, vibrant economies, healthy and safe schools, and resilient infrastructures;

IT IS HEREBY RESOLVED that the Village of Lake Placid, in order to improve sustainability, reduce greenhouse gas emissions, and create a more resilient community, adopts the New York State Climate Smart Communities Pledge, which comprises the following ten elements:

1. Pledge to be a Climate Smart Community.
2. Set goals, inventory emissions, plan for climate action.
3. Decrease community energy use.
4. Increase community use of renewable energy.
5. Realize benefits of recycling and other climate-smart solid waste management practices.
6. Reduce greenhouse gas emissions through use of climate-smart land-use tools.
7. Enhance community resilience and prepare for the effects of climate change.
8. Support development of a green innovation economy.
9. Inform and inspire the public.
10. Commit to an evolving process of climate action

IN WITNESS WHEREOF, the Village of Lake Placid formally adopts the New York State Climate Smart Communities Pledge.
