## DESIGNATING THE ULYSSES CONSERVATION AND SUSTAINABILITY ADVISORY COMMITTEE AS THE CLIMATE SMART COMMUNITIES TASK FORCE FOR THE TOWN OF ULYSSES

### RESOLUTION 2018-130:

WHEREAS, the Ulysses Town Board through Resolution No. 2016-154 on September 13, 2016 pledged to participate in the New York State Department of Environmental Conservation's "Climate Smart Communities" Initiative in order to reduce greenhouse gas emissions and adapt to a changing climate, and

WHEREAS, a Climate Smart Communities Certification Program has been developed to provide local governments with a framework to guide climate action and enable high-performing communities to achieve recognition for their leadership, and

WHEREAS, achieving Climate Smart Communities certification helps receive better scores for some State funding applications, and provides recognition for the Town's climate action leadership, and

WHEREAS, in order to become a Climate Smart Community, one of the mandatory actions is to establish or designate a Climate Smart Communities Task Force, which serves as a central body of leadership that promotes and supports climate mitigation and adaptation in the community, and

WHEREAS, the purpose of the Ulysses Conservation and Sustainability Advisory Committee is to provide the Town Board with advice and counsel on energy, climate change, and energy-related economic development issues—areas that overlap with the Climate Smart Communities goals.

Therefore, now be it

RESOLVED, that the Ulysses Town Board hereby designates the Ulysses Conservation and Sustainability Advisory Committee as the Town's Climate Smart Communities Task Force for the New York State Department of Environmental Conservation's Climate Smart Communities Initiative.
