Subject: Town of Ulysses Submission, PE1: CSC Task Force

Last week, the Town of Ulysses officially created its Climate Smart Communities Task Force. It was created out of the already existing Conservation and Sustainability Advisory Council, which had already been working on CSC action items for nearly a year.

The following is a list of members of the new CSC Task Force for the Town of Ulysses:

1. Roxanne Marino (chair of the Conservation and Sustainability Advisory Council)
2. Brice Smith
3. Bara Hotchkiss
4. Robert Oswald
5. Sue Poelvoorde
6. Andy Hillman
7. Don Ellis

Also uploaded are a resolution officially creating the task force and meeting minutes from two meetings. The meetings are from earlier in the year before the task force was officially created, but they included all the current members of the task force and concerned CSC action items. The most recent meeting, of which meeting minutes are not yet available, officially discussed and created the task force.
