Re: Appointment of the Climate Smart Community (CSC) Coordinator for the Town of Gardiner, NY

To Whom It May Concern,

The Town of Gardiner Town Board has previously approved a resolution to be recognized as a certified Climate Smart Community. As the Town is required as part of its certification process to appoint a CSC Coordinator, Mr. Jason Mayer, is hereby appointed to that position.

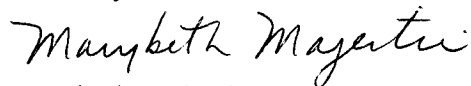

As previously resolved by the Town Board, Councilperson David Dukler will serve as government liaison to the Climate Smart Group.

As CSC coordinator, Mr. Mayer shall be responsible for coordinating the activities of the CSC task forces and associated climate mitigation and adaptation activities. Specifically, Mr. Mayer will perform the following:

- Chair a meeting of the CSC task force on a periodic, but, at minimum, semi-annual basis.
- Select task force members and ensure these members are approved in writing by the Town Board.
- Serve as a liaison between the CSC task force, the Town Board and Town officials on all projects requiring Town Board approval.

The Town Board has concurred in this action.

Sincerely,

Marybeth Majestic  
Town Supervisor
