

NISSAN LEAF

The Village of Irvington examined all light duty vehicles in our fleet for possible replacement with advanced vehicles. All light duty vehicles were eliminated from consideration for replacement because they require four-wheel drive with the exception of the Parking Enforcement vehicle. The Parking Enforcement vehicle was deployed during 2017 and remains an active vehicle in our fleet.

TOTAL VEHICLES IN VILLAGE FLEET: 68

TOTAL VEHICLES REPLACED IN VILLAGE FLEET: 1
