Zero-

What's a ZEP, you ask? It's a community zero-emissions parade, featuring electric cars, electric tractors, bicycles, rollerskates- all vehicles that don't burn fossil fuels- and you!

Join us for an afternoon of fun down Main Street, from the NP Middle School Parking Lot to the Village Hall.

- 11 am: Parade starts at New Paltz Middle School parking lot
- 12pm - 3pm: **Green Vendor Fair** at the Village Hall: check out the latest renewable energy sources and electric cars. Meet Electric Vehicle owners, ask them why they love their EVs, and take a test drive!
- Bicycle decoration contest, the activist brass marching band Tin Horn Uprising, and much more!
