CAPI Meeting 5 Agenda

- Updates
 - *Next meeting venue/Kingston City Hall*
- GHG Inventories & CAP scorecard (Jim)
 - CH data
 - Gardiner GHG Inventory review
 - Climate Action Plan scorecard
- Next steps & Timeline for completion
 - Inventory workbook status – date to complete by
 - GHG Inventories: finalize
 - What are your needs?
 - Results
 - GHG Inventory presentation to your Town Board?
 - Implementation

CAPI Meeting 5

Energy Data

- Central Hudson
 - Missing data
 - Review updated account #s in spreadsheet
 - Need to resubmit to Central Hudson
 - Usage history portal:
<http://inet.cenhud.com/retailchoice/icforescos/inqacct.aspx>
 - Other issues (Jim)
 - Duplicates
 - Beginning & end dates (9 rows for 2016/12 for 2017)
 - And more...
- UER Update (Jim)
 - Link community-wide GHG reduction strategies & CCA

October 10, 2018

Meeting 5: GHG Emissions Reduction Strategies

Keeping Score: review the CAP Scorecard

- How to identify GHG mitigation strategies in buildings and operations?
- How to identify community-wide strategies?

CAPI Meeting 5 GHG Inventories & CAPs

RESULTS

- GHG Inventory: Gardiner
- CAPs: The CAP scorecard
 - How to identify GHG mitigation strategies in buildings and operations?
 - How to identify community-wide strategies?
 - How to identify Renewable Energy and Solar Purchasing opportunities
 - How to identify opportunities for the Fleet and Waste Management sectors?
 - How to organize, prioritize, quantify GHG emissions reduction strategies - near term actionable, long term actionable, aspirational?
 - How to develop a strategy implementation plan?

CAPI Meeting 5 Next Steps

- Complete Inventory Workbooks
 - Date for completion?
 - Share with Jim/Europa & collaborate to finalize
- Next Steps
 - What are your needs?
 - Plan for GHG Inventory/CAP scorecard presentation to your Town Board?
- Discussion of above
 - ~~New Paltz~~ (Town and Village): Amanda, Janelle
 - Philipstown: Roberto
 - Esopus: Mark E., Stephanie
 - Gardiner: Mark V., Stephen, *Aimee (alternate), Lisa (alternate)*
 - Marbletown: Jacob, Iris (alternate)
 - Saugerties: Carole, Patti, Susan, Vernon, *Mary (alternate)*
 - ~~City of Kingston~~: Sean

Meeting 6: GHG Emissions Reduction Strategies

6:00 PM, November 14th

Kingston City Hall

How to identify Renewable Energy and Solar Purchasing opportunities, and opportunities for the fleet and waste management sectors?

Potential guest speakers/topics:

- Renewable Highlands CCA
- Ulster County (Green fleet policy, etc.)
- Energy Audits (NYSERDA Flex Tech)
- LED streetlights/NYPA (to discuss Mid-Hudson Streetlight Consortium aggregation)

10/26 Solar Tour: Register Today!

Navigating Large-Scale Solar Development in Your Community A Tour in Orange County for Mid-Hudson Municipal Officials

Join the New York State Energy Research and Development Authority Clean Energy Communities (CEC) team on **October 26, 2018 from 9:45 A.M. to 3:15 P.M.** for a tour of solar installations located in Orange County. This bus tour will include visits to solar installations in three communities and will include learnings around public support, siting, connectivity, and project financing issues.

The unique challenges encountered and, ultimately, the benefits captured from each of these projects will also be discussed in the context of these recently and successfully developed installations. The projects include a 66 kW solar array sited behind a town hall and 2 larger systems of approximately 2 MW each – one sited on a municipal capped landfill and the other offsetting the electricity usage of an entire school district.

This hands-on workshop will afford plenty of opportunity for questions and engagement with fellow municipal officials. **Lunch will be provided. No rain date is scheduled.**
