Hello Allegra,

Congratulations! According to our records, the **Town of Roseboom** recently completed four High Impact Actions under NYSERDA's [Clean Energy Communities](#) program. Roseboom is hereby named a **Clean Energy Community** by the State of New York.

Unfortunately, no more grant funding is available in the current round. We can offer assistance in preparing an announcement of your designation. In addition, a Clean Energy Communities badge / logo which can be used for web, social media, or for developing signage is available upon request.

If you have any questions regarding your project submission, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:

Mohawk Valley Economic Development District, Inc.

Please do not distribute a press release or speak with media regarding your Clean Energy Community designation until speaking with NYSERDA's Communications team. We have copied Aron Ashrafioun in NYSERDA's Communications Office who will follow up with you regarding an announcement.

Thank you for your interest in NYSERDA's Clean Energy Communities Program.

Again, congratulations!
