Hello Emily,

Congratulations! According to our records, the Village of Montour Falls recently completed four High Impact Actions under NYSERDA's [Clean Energy Communities](#) program. The Village is hereby named a **Clean Energy Community** by the State of New York and is eligible for a grant in the amount of **\$50,000**.

You have three months from the date of this email (**DUE DATE: AUGUST 3, 2018**) to [go online](#) and submit one or more projects for funding. Please make sure the project(s) meet the selection criteria set forth in the program [Guidance Document](#).

If you have any questions regarding your project submission, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:

Katherine Herleman  
Cornell Cooperative Extension Tompkins County  
[kch227@cornell.edu](mailto:kch227@cornell.edu)

**Please do not distribute a press release or speak with media regarding your Clean Energy Community designation until speaking with NYSERDA's Communications team. We have copied Tricia King in NYSERDA's Communications Office who will follow up with you regarding an announcement.**

Thank you for your interest in NYSERDA's Clean Energy Communities Program.

Again, congratulations!

**Clean Energy Communities Team**

**NYSERDA**
