CERTIFICATION STATEMENT - NY-SUN - RESIDENTIAL / SMALL COMMERCIAL

The Contractor or the Builder on behalf of the Contractor attests that by the act of submitting a Project Application(s) to the NY-Sun Incentive and/or Financing Program that the Contractor/Builder confirms and agrees that the Project Application submitted under NY-Sun shall comply with the requirements of the NY-Sun Incentive and/or Financing Program, the applicable NY-Sun Incentive and/or Financing Program Manual, with the terms and conditions of the Participation Agreement, including the Addendum and with all applicable codes, accepted industry standards and best practices.

The Contractor has authorized the builder to submit Incentive Application(s) to the NY-Sun Incentive Program, either on behalf of the Contractor and their customer. The Contractor will be responsible for all PV System installations for which an Incentive Application is submitted under this Agreement, regardless of whether the Installation was performed partially or completely by others. Contractor and/or Builder acknowledges and agrees that they are required to produce any/all documents immediately upon NYSERDA's request.

By submitting this Incentive Application, I do hereby attest:

- That there is a fully-executed, binding financial agreement that includes a signed Addendum to the Customer Agreement between the Contractor and the customer signing below to construct the PV project that will receive incentive funding through this application.
- That applications have been submitted for all jurisdictional permits required for construction of the PV project that will receive incentive funding through this application.
- That the Contractor and/or Builder attest that a non-residential assessment has been performed and have shared the findings with the customer and will furnish all documents referenced above if requested to do so by NYSERDA.
- That the customer signature appearing below is the true and genuine signature of the customer and that it was affixed to this document on the date indicated.

By signing below, the customer attests and confirms that the above statements are true and accurate.

The incentive amount is based on the current incentive level offered at time of submission. That may or may not be different from the amount on this application form. The award letter with the correct and approved incentive amount will be issued at time of NYSERDA approval.
