

**Marbletown Resolution #25 of 2018**  
**To Approve the Climate Reality Hudson Valley/Catskills, NY 100% Commitment**  
Adopted February 20, 2018

Climate Reality Hudson Valley/Catskills, New York Chapter

February 16, 2018

Supervisor Rich Parete

1925 Lucas Avenue, Cottekill, NY, 12419

Re: The Climate Reality Hudson Valley/Catskills, New York Chapter 100% Commitment

Dear Supervisor Parete;

On behalf of the Climate Reality Project Hudson Valley/Catskills, New York Chapter, a volunteer chapter of The Climate Reality Project, a District of Columbia, USA, nonprofit corporation ("Climate Reality") we are delighted to welcome Marbletown as an official partner of The Climate Reality Project's 100% Committed Campaign as defined below (the "Partnership") under the terms of this commitment.

The shift to a clean energy economy is on – and accelerating. Today, cities and towns, businesses, and colleges and universities of all sizes are seeing the threat of climate change and taking action by switching to affordable renewable electricity from wind, solar and other sources, by choosing renewables, they're cutting their greenhouse gas emissions and creating a healthier environment for their citizens and customers – and a brighter future for our planet.

Through 100% Committed, we're working to build on this success and bring more cities and towns, businesses, and colleges and universities together to commit to reaching 100% renewable electricity (the "Campaign")

Here is what it means to join the Campaign to be 100% Committed to renewable electricity. You join a global movement of forward-looking cities and towns, businesses, colleges and universities, and organizations by pledging to become powered by 100 percent renewable electricity by 2030 (or as soon as possible) and working with us to build support for real climate solutions.

You share updates on your progress toward reaching your goal of being powered by 100 percent renewable electricity by 2030 (or as soon as possible) within (1) year of signing this commitment. If you appear to be not making progress to the 100% campaign goals, Climate Reality reserves the right to suspend you from the 100% Committed Campaign.

You promote the Campaign on your social media and digital platforms (if available), referencing the fact that we are working together on the Campaign. You may display, on your webpage, our name, trademark, and logo in connection with the Campaign.

When possible, you work to assist other cities and towns, businesses, and colleges and universities in committing to reaching 100% renewable electricity.

Climate Reality includes your institutions name and logo across Climate Reality's 100% Committed materials and digital platforms, including (if available) the website, press kit, and social media toolkit.

In the event of any press release regarding the Partnership, all partners involved in the Campaign, including you, may be included in the announcement.

Both Marbletown and Climate Reality grant a mutual, nonexclusive license to use and display those names, trademarks and logos owned and provided by each other ("Marks") as necessary to perform the work in the

Partnership as described in this letter. Any marks being used by the opposite party are subject to trademark usage guidelines, appropriate trademark symbol (either "TM" or "®"), and opposite party approval. Climate Reality and you both agree to provide each other with copies of any materials bearing any of the marks as requested by you or Climate Reality from time to time. In the event of a termination or suspension of your participation in the Partnership, both parties will immediately cease use of the other's Marks.

There are multiple additional opportunities for deeper partnership promotion, and we look forward to discussing the unique ways your organization can be involved.

We're looking forward to working with you to build a movement of cities and towns, businesses, and colleges and universities committed to reaching 100 percent renewable electricity. If the above is acceptable to you and consistent with your understanding, please indicate your acceptance by returning a signed copy of this commitment to us.

Sincerely,

The Climate Reality Project, Hudson Valley/Catskills, New York Chapter

Richard Parete (signature)

**Rich Parete, Marbletown Supervisor**

A regular meeting of the Town Board of the Town of Marbletown was convened in public session at the Town Hall, 1925 Lucas Ave Cottekill, New York on February 20, 2018 at 7:00 o'clock P.M. local time. The meeting was called to order by Supervisor Rich Parete, and, upon roll being called, the following were:

**Present:** Supervisor Rich Parete and Town Board members Joe Borzumato, Tim Sweeney, Eric Stewart and Don LaFera

**Absent:** None

The following Resolution was offered by Councilman Sweeney seconded by Councilman LaFera to wit:

**RESOLUTION #25 -2018; RESOLUTION TO APPROVE THE CLIMATE REALITY HUDSON VALLEY/CATSKILLS, NY 100% COMMITMENT**

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call which resulted as follows:

Councilman Borzumato	Voting <u>Aye</u>
Councilman Sweeney	Voting <u>Aye</u>
Councilman Stewart	Voting <u>Aye</u>
Councilman LaFera	Voting <u>Aye</u>
Supervisor Parete	Voting <u>Aye</u>

Resolution #25-2018 was thereupon adopted.

*Heather Moody, Town Clerk/Tax Collector*
