

# COUNTY OF SUFFOLK

## OFFICE OF THE COUNTY EXECUTIVE

**Steven Bellone**  
SUFFOLK COUNTY EXECUTIVE

### **EXECUTIVE MEMORANDUM OF APPOINTMENT NO. 20-2019**

**TO:** Natalie Wright, Acting Commissioner of the Suffolk County Department of Economic Development and Planning

**FROM:** Steven Bellone, County Executive of Suffolk County

**RE:** Lisa Broughton, Energy Director, appointment as Suffolk County Climate Smart Coordinator

This is to advise you that I hereby appoint Lisa Broughton, Energy Director, to serve as the Suffolk County Climate Smart Coordinator. Ms. Broughton has served as Energy Director since October 2008 and was a key contributor to the Suffolk County Climate Action Plan, published in 2015. She will continue to oversee the County's energy efficiency and renewable energy projects, and to liaison with all County and community agencies that are involved in energy and sustainability.

Ms. Broughton will lead the County's efforts toward Climate Smart Community (CSC) Certification at the highest level achievable. She will serve as the point of contract for the Climate Smart Communities program and facilitate program implementation. As a member of the Suffolk County Planning Commission's Climate Smart Working Group, the designated CSC Task Force for Suffolk County, Ms. Broughton will draw on the expertise from the private residents and public officials on that panel as Suffolk County pursues CSC Certification. In addition, she will communicate and harmonize the CSC Certification efforts with key County personal from multiple departments to ensure that Suffolk County has a coordinated approach to Climate Change planning and adaptation.

**DATED:** September 9<sup>th</sup>, 2019
