Hello Lisa,

Suffolk County recently submitted documentation demonstrating completion of the **Clean Energy Upgrades** High Impact Action under NYSERDA's Clean Energy Communities program.

**Congratulations, your submission has been approved.**

This is your **FOURTH** approved High Impact Action. Please note: to be designated as a Clean Energy Community, you need to complete four high impact actions. At least two of your actions need to be completed after August 1, 2016. Our records indicate that **THREE** of the actions submitted were completed after this date.

If you have any questions, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:
