**EXECUTIVE ORDER NO. 2-2009**

TO: Carrie Meek Gallagher, Commissioner of Environment and Energy  
Gilbert Anderson, P.E., Commissioner of Public Works

FROM: Steve Levy, County Executive of Suffolk County

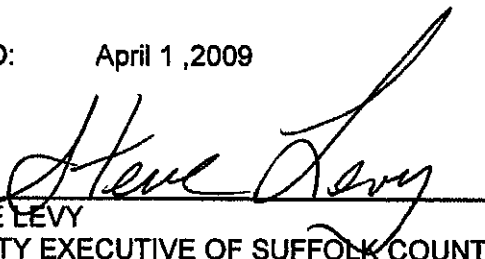

RE: Installation of Photovoltaic Panels on all New County Buildings over 10,000 Square Feet

RECEIVED  
2009 APR 20 A 10:09  
COUNTY LEGISLATURE  
SUFFOLK COUNTY, N.Y.  
HAUPPAUGE

Pursuant to Sections 3-2, 3-3, 3-4, 4-2 of the Suffolk County Charter, you are hereby authorized, empowered, and directed to include in the scope, budget, and subsequent construction of any new building design and construction project, the installation of photovoltaic panels and associated appurtenances such as conduit, inverters, power monitors, etc., for the purposes of generating no less than 5% of the anticipated peak electrical load of the building. The photovoltaic system may be installed on any surface of the building, integrated into the building components or may be located on the same site in the form of carports, grade installations on frames, or other industry standard means.

This Executive Order applies to all new County owned buildings over 10,000 square feet in size except for those currently under construction or those funded in the Adopted 2010 Capital Budget.

DATED: April 1, 2009
