

Village of Cazenovia

Climate Smart Community Task Force

Members:

David Porter (coordinator) – David has been a member of the Village of Cazenovia Board of Trustees since 2010. Dave is a licensed professional engineer in the State of New York and is also a Certified Energy Manager (CEM) and a LEED Accredited Professional for building design and construction (LEED AP BD+C). He has a strong interest in sustainable design and energy conservation and has been a leader and advocate for village participation in programs that support those two areas of local and national importance.

Bill Carr – Bill is the Public Works Superintendent for the Village of Cazenovia. Bill has supervised the implementation of many clean energy initiatives in his tenure with the village.

Geoff Navias – Geoff is a community leader and a founding member of United Climate Action Network, a local grass roots organization. Geoff was instrumental in developing “Seize the Power”, an annual climate and energy action fair.

Lauren Lines – Lauren is the Executive Director of the Cazenovia Area Community Development Association. Lauren assisted the Village of Cazenovia in becoming one of the first Clean Energy Communities in the state. Over the past 10 years, Lauren has coordinated many state and locally funded projects directed at improving the carbon footprint of our community.
