

Town Of Roseboom

Otsego County, New York

Otsego County

197 Main Street

Cooperstown, NY 13326

July 18, 2019

Dear Otsego County,

On behalf of the Town of Roseboom, I hereby submit this letter of commitment of the Town of Roseboom's participation in the Otsego County Climate Smart Communities Institute. I commit volunteer and staff hours to meetings/trainings as well as compiling data required to complete both the Governmental Operations and Community Greenhouse Gas Inventories.

Currently, the Town of Roseboom is a registered Climate Smart Community. We plan to use these inventories as planning tools for our community as well as working toward our bronze Climate Smart Communities certification.

I want to express my support for this Climate Smart Communities Institute, as it will give our community a chance to set goals and plan for climate change with the level of assistance and expertise that make the undertaking feel less burdensome, and much more achievable.

Sincerely,

Allegra Schechter

Roseboom Town Council

Climate Smart Communities Coordinator

607-264-8433

I hereby certify that Otsego County accepts Town of Roseboom as a participant in the Otsego County Climate Smart Communities Institute.
