

# ROSEBOOM, TOWN (OTSEGO) APPLICATION FOR CERTIFICATION

## Action Submission: PE3 Action: Outdoor Lighting Upgrades

### Status

Current action submission status: Completed

### Requested Points 4

Point Level requested for this submission

## DESCRIPTION OF IMPLEMENTATION

Currently, the Town of Roseboom has a total of four (4) off-street outdoor lights owned by the local government (Town of Roseboom). The Town of Roseboom converted all (100%) of the Town-owned off-street outdoor exterior security lights, on the outside of the municipal highway department garage building, to LED's in August 2016.

*Please see attached photo of the Town of Roseboom's (4) off-street outdoor lights.*
