

County of Erie Bicycle Parking Registration Form

Any employee interested in using the County of Erie Bicycle Parking Garage may register up to six bicycles, subject to the County of Erie Bicycle Parking Garage Rules & Regulations. Only one bicycle per employee may be parked in the garage at any given time.

If in the future the employee wishes to add or remove a bicycle, please provide an updated complete form listing all registered bicycles using this Registration Form.

The completed Registration Form should be provided to the Personnel Department.

All bicycles must be labeled with the employees first initial and last name.
