

Item # 11 - Resolution Authorizing an Amendment to the Complete Streets Policy

Whereas, the Pedestrian Safety and Traffic Calming Committee (“PSTCC”) recommends to the Village of Board of Trustees the adoption of a Complete Streets Checklist as an addendum to the Village’s Complete Streets policy, adopted in July of 2019; and

Whereas, said policy references the intent to create such a checklist for capital projects undertaken by the Village; and

Whereas, the PSTCC believes that the checklist serves the intended purpose as outlined in the Village’s Complete Streets policy. All projects need not contain all elements of the checklist. Documentation of any of the items listed (as well as additionally relevant Complete Streets elements under “Other”) would be required for any project triggered by the Complete Streets policy.

Now, therefore, be it resolved, that the Board of Trustees of the Village of Pelham upon the recommendation of the PSTCC hereby adopts the Complete Streets Checklist attached hereto and made a part hereof.
