Dear Tree City USA Contact,

On behalf of the Arbor Day Foundation, congratulations on earning recognition as a 2021 Tree City USA. Residents of your community should be proud to live in a place that makes the planting and care of trees a priority, and you should be proud of a job well done!

Ready to take it to the next level? If your community has been recognized in the past AND you have not already applied this year, don't forget to apply for a [Growth Award](#). Please go to your Tree City USA profile online to access this application. If this is your first time being recognized, check out the list of Growth Award Activities and consider what you could do to grow your program in the next year.

As a 2021 Tree City, you also have access to the Tree City Center – an online portal with new, customizable Tree City marketing materials, examples of urban forest master plans, and exclusive grant opportunities. Check the [Tree City Center](#) out by clicking on the **button on the top right of the Tree City USA website**, and using the below credentials:

Again, congratulations on your recognition!
