Facebook: @sustainablepelham
Instagram: @climatesmartpelham

Through Facebook, and Instagram postings, the SAB and CSCTF share information on climate and sustainability-related news, initiatives, educational opportunities and other events that may be of interest to Pelham residents, and encourage Pelhamites to learn more about climate and sustainability issues and to take action, both on an individual and community level. SAB and CSCTF also cross-post with EcoPel and on other local and regional Facebook pages and share information with local community groups and neighboring municipalities regarding initiatives that address the climate crisis, reduce carbon emissions, and improve sustainability, mitigation, and adaptation strategies.
