Subject: NOTIFICATION: NYSERDA Clean Energy Communities | City of Buffalo | Clean Fleets

Hello Edward,

The City of Buffalo recently submitted documentation demonstrating completion of the **Clean Fleets** High Impact Action under NYSERDA's [Clean Energy Communities](#) program.

Congratulations, your submission has been approved.

This is your **FIRST** approved High Impact Action. Please note that in order to be designated as a Clean Energy Community, you need to complete four high impact actions and at least two of your actions need to be completed after August 1, 2016. Our records indicate that ONE of the actions submitted was completed after this date.

If you have any questions, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:

Thank you for your interest in becoming a Clean Energy Community. Keep up the good work!
