

Bronxville Climate Smart Communities Task Force
November 4, 2021

Attendees: Helen Knapp, Stephen Shallo, Ellen Edwards, Carole Upshur, Maria Terjanian

Goal to get to bronze by July 2022 – are we committed? What gets us there?

- 1) PE1: Two public meetings before July – what are the two dates?
 - a) Update larger task force
 - b) Relationship with Eleanor Peck
 - c) Interns
 - d) Partnerships – need to regroup with Eleanor Peck to identify documents we need

- 2) PE2: GHG Inventory: Is this a phase one initiative? Benefits to complete by July:
 - a) If this is not achievable, we will need to submit for January 2023
 - b) ICLEI membership ends in September 2022
 - c) Helps to create future action steps based on data and opportunities for grants
 - d) Next Steps: Carole creating six month plan with data requests

- 3) PE3: ‘Completed’ items need a few minor details uploaded

- 4) PE4: Identify records and educational campaign

- 5) PE5: The Village and Green Committee are already doing many of these items; it can be beneficial to formalize in the required plan to create standards
 - a) Identify difference between food scrap recycling and composting actions

- 6) PE6: Currently eligible for 6 out of the 21 points (possibly 9)
 - a) Identify if there are any others points in this action we can address
 - b) Evaluate traffic calming requirements
 - c) Determine if the process the way the Village is utilizing grants can be applied

- 7) PE7: In progress

- 8) PE8: In progress

- 9) PE9: In progress
