ARTICLE 2 RIGHTS GRANTED

2.1 GENERAL DESCRIPTION AND LIMITATIONS

Competitive Supplier is hereby granted the exclusive right to be the default provider of Firm Full-Requirements Power Supply to Participating Consumers pursuant to the terms of this ESA. For the avoidance of doubt, Competitive Supplier shall be authorized to supply Firm Full-Requirements Power Supply only to Participating Consumers enrolled in the plan or plans managed by the Program Manager, and the Distribution Utility will continue to have the right and obligation to supply electricity to Eligible Consumers who opt-out of the Program and remain on, or return to, Default Service, until changes in law, regulation or policy may allow otherwise.

In accordance with Article 3 below, all Eligible Consumers shall be automatically enrolled in the Program unless they choose to opt-out or have previously opted out of the Program. In the event the geographic boundaries of the Municipality change during the term of this ESA, Competitive Supplier shall only be obligated to supply Firm Full-Requirements Service to those Participating Consumers located within the Municipality as such boundaries existed on the Effective Date of this ESA. As between the Parties, the Competitive Supplier has the sole obligation of making appropriate arrangements with the Distribution Utility, and any arrangements which may be necessary with the NYISO so that Participating Consumers receive the electricity supplies to be delivered pursuant to this ESA.

The Municipality shall specifically authorize the Distribution Utility to provide, and Competitive Supplier the right to obtain and utilize as required, all billing and energy consumption information for Participating Consumers as is reasonably available from the Distribution Utility. The Distribution Utility Fees for the provision of this data shall be paid for by the Supplier. Competitive Supplier shall request consumption data for individual Participating Consumers from the Distribution Utility via EDI. If further action is required by the Distribution Utility to authorize Competitive Supplier to receive such consumption and billing data, the Program Manager, on behalf of the Municipality agrees to use Commercially Reasonable efforts, at Competitive Supplier's cost, to assist Competitive Supplier, if so requested by it, in obtaining such information for Participating Consumers, including, without limitation, assisting Competitive Supplier in obtaining permission from such Eligible Consumers and/or the PSC, where necessary as a prerequisite to the provision of such information. Competitive Supplier shall not be responsible for any errors that Competitive Supplier or any of its Associated Entities makes in the provision of Firm Full-Requirements Power Supply only to the extent both that: 1) such errors are caused by errors or omissions in the information provided to it by the Distribution Utility; and 2) it was reasonable for the Competitive Supplier to rely upon that provided

information. The Municipality shall not be responsible for any such errors by the Competitive Supplier in any event.

2.2 NO THIRD PARTY BENEFICIARIES

Except as specifically provided in Section 18.11, this ESA does not and is not intended to confer any rights or remedies upon any person other than the Parties. This ESA facilitates rights under the CCA Orders and Local Law for Eligible Consumers to purchase electricity from the Competitive Supplier in accordance with this ESA. The Municipality, or Program Manager in support of the Municipality, has the right, but not the obligation, to advocate on behalf of the Eligible Consumers interested in contracting for electric supply and on behalf of all Participating Consumers, unless otherwise prevented by law.

2.3 COMPLIANCE WITH LAWS

The Municipality represents that the Local Law has been duly adopted.

Competitive Supplier specifically represents that it has exercised due diligence to review and has fully complied with all relevant regulations, requirements, and orders of the FERC, NYISO, and PSC.

2.4 CONDITIONS PRECEDENT

- b) execute any appropriate NYISO applications and agreements;
- c) obtain authorization from the FERC to sell power at market-based rates;
- d) complete EDI testing with Distribution Utility;
- e) provide all other documentation required by the Distribution Utility; and
- f) satisfying all insurance requirements set forth in Article 16 or elsewhere in this ESA.

If Competitive Supplier has not fulfilled all such requirements by the Service Commencement Date, then the Municipality may terminate this ESA without any liability from Municipality to the Competitive Supplier.

2.5 OWNERSHIP AND USE OF ELIGIBLE CONSUMER DATA

Competitive Supplier acknowledges that: 1) all Eligible Consumer data (including addresses, telephone numbers or other identifying information) made available to Competitive Supplier as an agent of Municipality for such data must be protected by the Competitive Supplier and its Associated Entities to the fullest extent possible under the law; 2) the Competitive Supplier does not hold any permanent right, title or interest in this data; and 3) this data is to be obtained, retained and used by the Competitive Supplier and its Associated Entities solely to provide Firm

Full-Requirements Power Supply to Participating Consumers and to render other services expressly required or permitted under this ESA. Any other use of Eligible Consumer data without the prior written consent of the Municipality is strictly prohibited. Competitive Supplier may share such Eligible Consumer data with third-party vendors as reasonably necessary to accommodate Competitive Supplier's provision of Firm Full-Requirements Power Supply or other performance pursuant to this ESA (including, without limitation, collection of receivables or enhancement of data exchange between the Parties), provided that Competitive Supplier will take reasonable measures to secure the confidential nature of such data and the restrictions set forth in this Article 2.5 and elsewhere in this ESA, and that any vendor or subcontractor is also bound by the terms and conditions of this ESA, especially those regarding data confidentiality and prohibition on non-permitted uses of data through a signed non-disclosure agreement, a copy of which will be provided to the Municipality. Except as expressly provided in this ESA, and as otherwise permitted by law, Competitive Supplier and its Associated Entities shall not disclose any Eligible Consumer data to any third-party and Competitive Supplier and its Associated Entities shall take all Commercially Reasonable measures to protect Eligible Consumer data from access by, or beneficial use for, any third-party. To the extent that the provision of Firm Full-Requirements Power Supply or other services under this ESA requires that Competitive Supplier and its Associated Entities have access to or make use of any Eligible Consumer data, Competitive Supplier and its Associated Entities shall treat such Eligible Consumer data as confidential information. Competitive Supplier may use Eligible Consumer data to engage in direct marketing only during the term of this ESA and subject to the terms set forth in Article 18.2. A violation of this Article 2.5 shall be grounds for termination under Article 4.2(a). Competitive Supplier agrees violation of this Article 2.5 shall constitute irreparable harm.

ARTICLE 3 CONSUMER CHOICE, NOTIFICATION OF RIGHTS, ENROLLMENT

3.1 CONSUMER CHOICE

The Parties acknowledge and agree that all Participating Consumers have the right, pursuant to CCA Orders, Local Law, and the Program, to change their source of electricity supply, as set forth in Article 2.1. The Parties represent and warrant to each other that they shall not interfere with the right of Participating Consumers to opt-out of the Program, and shall comply with any rules, regulations or policies of PSC, the Distribution Utility and/or other lawful Governmental Authority regarding the procedures for opting out or of switching from one source of electric supply to another. Not inconsistent with the above, however, the Parties may take Commercially Reasonable measures to encourage Participating Consumers to affirmatively agree to remain in the Program, consistent with any Governmental Rules.

3.2 NOTIFICATION TO NEWLY ELIGIBLE CONSUMERS OF OPT-OUT RIGHTS

Consistent with the requirements of any applicable Governmental Rules, and within a reasonable time after the Distribution Utility notifies Competitive Supplier of the existence of a New Consumer and has provided to Competitive Supplier such New Consumer's account number, service and billing address, and other pertinent contact information, Competitive Supplier shall notify such New Consumer (i) of the date on which such New Consumer will be automatically enrolled in the Program, and (ii) that the Competitive Supplier will be providing Firm Full-

Requirements Power Supply to such New Consumer as of the same date, subject to the opt-out provisions of the PSC Orders, Local Law, and the Program ("Opt-Out Notice"). The Opt-Out Notice shall be mailed to each such New Consumer prior to the date of automatic enrollment and shall: (i) prominently state all charges to be assessed by the Competitive Supplier; (ii) at a minimum, provide a summary of the prices and terms included in Exhibit A; (iii) state how such New Consumer may opt-out of the Program prior to enrollment and remain on Default Service from the Distribution Utility; and (iv) state how all Participating Consumers, subsequent to enrollment, will also have the right to opt-out at any time and return to Default Service or choose a new Competitive Supplier without paying a fee or penalty to Competitive Supplier. All such notices must be approved in advance by the Municipality.

In providing the notifications set forth in this Article 3.2, and in otherwise conducting the activities in Article 3.4 below, the Competitive Supplier must rely upon information provided to it by the Distribution Utility for the purpose of performing its obligations. Competitive Supplier will not be responsible for any errors in connection with notification of Eligible Consumers only to the extent both that: 1) such errors are caused by errors or omissions in the information provided to it by the Distribution Utility; and 2) it was reasonable for the Competitive Supplier to rely upon that provided information. The Municipality shall not be responsible for any such errors by the Competitive Supplier in any event.

3.3 CONSUMER AWARENESS

Upon mutual agreement concerning the content and method, either the Competitive Supplier, Municipality, or Program Manager may conduct consumer awareness efforts at its sole expense.

3.4 ENROLLMENT

3.4.1 Participating Consumers –All Eligible Consumers as of the Effective Date will be enrolled in the Program, thus becoming Participating Consumers, under the terms of this ESA unless they opt-out during the 30-day period specified in the PSC Orders. Participating Consumers may disenroll from the Program at any time thereafter with no fee or penalty. The Municipality shall authorize the Distribution Utility to provide to Competitive Supplier or to an alternative designee of the Program Manager who has agreed in writing to a non-disclosure agreement, a copy of which will be provided to the Municipality, a list of Participating Consumers as of the Effective Date, as well as such Participating Consumer's service and billing addresses, and any other information necessary for Competitive Supplier to commence Firm Full-Requirements Power Supply to such Participating Consumers as of the Service Commencement Date.

3.4.2 Newly Eligible Consumers - If Newly Eligible Consumers elect not to opt-out of the Program as provided in Article 3.2, such Newly Eligible Consumers will be automatically enrolled by Competitive Supplier in the Program. These Newly Eligible Consumers electing not to opt out of the Program as provided in Article 3.2 shall be enrolled in the Program at a price as defined in Exhibit A. Competitive Supplier shall enroll such Newly Eligible Consumers in accordance with applicable PSC and Distribution Utility rules.

3.4.3 Eligible Consumers Who Have Previously Opted Out - At any time during this ESA, Eligible Consumers who have previously opted out of the Program may request that they be enrolled or re-enrolled in the Program. Competitive Supplier shall provide Firm Full-Requirements Power Supply to such Eligible Consumers at a price as set forth in Exhibit A. Following mutually agreed upon procedures, the Competitive Supplier is responsible for accurately and promptly transmitting information regarding Eligible Consumers, to the Distribution Utility. The Competitive Supplier shall be responsible for enrolling all Eligible Customers through EDI transactions submitted to the Distribution Utility for initial enrollment in the aggregation and all enrollments thereafter.

3.4.4 Consumers Served by Third-Parties - Consumers being served under other competitive supply programs offered by third-parties will not be automatically enrolled as Participating Consumers under this ESA when such program terminates or is otherwise completed. Competitive Supplier agrees that consumers under such third-party competitive supply programs may affirmatively opt-in at any time and receive Firm Full-Requirements Power Supply, thereby becoming Participating Consumers. Newly Eligible Consumers who opt-in as provided in this Article 3.4.4 shall be enrolled in the Program at the rates reflected in Exhibit A that refer specifically to Newly Eligible Customers.

3.4.5 Termination Fees. There shall be no termination fees for any residential, small commercial, or municipal Participating Consumers to disenroll from the Program.

ARTICLE 4 TERM OF CONTRACT AND TERMINATION

4.1 TERM

This ESA shall commence on the Effective Date, provided, however, that Competitive Supplier's obligation to provide Firm Full-Requirements Power Supply shall commence on the Service Commencement Date, and shall terminate with the Participating Consumers' first meter read determined by the Parties and delineated in Exhibit A, unless terminated earlier under Article 4.2 below ("Term").

4.2 TERMINATION

This ESA may be terminated at any time upon written notice:

- a) by the Municipality, or the Competitive Supplier, if the other Party fails to remedy or cure any breach of any material provision or condition of this ESA (including, but not limited to, Article 2.5 and Article 9), but excluding the failure to provide or arrange for Firm Full-Requirements Power Supply, which is addressed in Article 4.2(d)), within sixty (60) days following written notice to do so by the non-breaching party; or
- b) by the Municipality, or the Competitive Supplier, if any material provision or condition of this ESA be finally adjudged invalid by any court of competent jurisdiction, or if PSC exercises any lawful jurisdiction so as to invalidate or disapprove this ESA in whole or in significant part; or

- c) by the Municipality, if a Regulatory Event that is not a Qualifying Regulatory Event affects the Competitive Supplier and Competitive Supplier incurs costs and chooses to allocate and collect excess costs from Participating Consumers; or
- d) by the Municipality, if a court, PSC or other lawful authority adjudicates contrary to Article 6; or
- e) by the Municipality, i) if an order is entered against the Competitive Supplier approving a petition for an arrangement, liquidation, dissolution or similar relief relating to Bankruptcy or insolvency and such order remains unvacated for thirty (30) days; or (ii) immediately if the Competitive Supplier shall file a voluntary petition in Bankruptcy or any petition or answer seeking any arrangement, liquidation or dissolution relating to Bankruptcy, insolvency or other relief for debtors or shall seek, consent to, or acquiesce in appointment of any trustee, receiver, or liquidation of any of Competitive Supplier's property; or
- f) notwithstanding the foregoing, the failure of Competitive Supplier to provide or arrange for Firm Full-Requirements Power Supply to Participating Consumers, in the absence of Force Majeure or the Municipality's failure to perform, shall constitute an act of default, and the Municipality may terminate this ESA upon giving written notice and without a cure period. In the event the Competitive Supplier has performed its obligations hereunder and its failure to arrange for or provide Firm Full-Requirements Power Supply is a direct result of actions or non-actions by any transmission service provider, the Distribution Utility, or the NYISO, the Competitive Supplier's failure shall not be deemed to be an act of immediate default and would be subject to remedy or cure as provided in Article 4.2(a).

4.3 OBLIGATIONS UPON TERMINATION

Following termination of this ESA, the Parties shall each discharge by performance all obligations due to any other Party that arose up to the date of termination of the ESA and Competitive Supplier shall continue to have the right to collect all monies due for services rendered to that date.

Upon termination, Competitive Supplier shall have all Participating Consumers switched back to obtaining supply from the Distribution Utility by submitting all consumer drops via EDI to the Distribution Utility in a form acceptable to the Distribution Utility.

4.4 EXTENSION

The ESA may be extended beyond the termination date established in Article 4.1 by mutual, written agreement of the Parties. Any new pricing terms shall be added to and replace Exhibit A as Exhibit A Extension. Upon any such extension, this ESA shall continue to be in effect, and all provisions of the ESA shall retain the same force and effect as before the extension, unless it is terminated by any Party pursuant to the provisions of Article 4.2 or until the date stated in such extension.

Whenever necessary to comply with this Article 5.3, the Service Contacts shall call upon other employees or agents of the Competitive Supplier to obtain such information or explanation as may be reasonably requested. 5.4 ARRANGING FOR FIRM FULL-REQUIREMENTS POWER SUPPLY

Competitive Supplier shall participate in or make appropriate arrangements with NYISO, any relevant regional transmission organization, wholesale suppliers or any other entity to ensure an uninterrupted flow of Firm Full-Requirements Power Supply to the Distribution Utility for delivery to Participating Consumers, and exercise all Commercially Reasonable efforts to cooperate with NYISO or any other entity to ensure a source of back-up power in the event that Competitive Supplier is unable to deliver Firm Full-Requirements Power Supply to the Point of Delivery. Competitive Supplier shall supply electric energy to the Point of Delivery to all Participating Consumers on a non-discriminatory basis; provided, however, that those prices and other terms may vary in accordance with reasonably established rate classifications (e.g., residential and small commercial as defined by the Distribution Utility) or by such other categories as appear in Exhibit A. To the extent applicable, Competitive Supplier's prices, terms and conditions shall be in accordance with the New York General Laws, the regulations of PSC, and other applicable provision of law. To the extent required by law and/or the conditions of any PSC approval of this ESA, the Competitive Supplier may not deny service to an Eligible or Participating Consumer for failure to pay the bills of any other electric company (whether engaged in the distribution, transmission, or generation of electricity) or of any other aggregator, marketer or broker of electricity, but may reasonably deny or condition new service, or terminate existing service, based upon any Participating Consumer's failure to pay bills from the Competitive Supplier, subject to any provisions of law or applicable PSC orders or regulations. 5.6 APPROVAL OF GENERAL COMMUNICATIONS

The Municipality may reject or exclude any proposed General Communication that, in its reasonable judgment, is contrary to the interests and objectives of the Program or the Municipality, provided, however, any such right of rejection or exclusion shall not apply to Competitive Supplier's notice to exercise or enforce its rights under the ESA or Customer Agreement, including but not limited to any notice of Force Majeure or Change in Law.

In the event the Competitive Supplier requests the Municipality's assistance in obtaining such consent or approval and the Municipality anticipates that it will incur costs in fulfilling the Competitive Supplier's request, it shall give the Competitive Supplier an estimate of such costs. Upon receiving the estimate, Competitive Supplier shall determine whether it will continue to request the Municipality's assistance, and if so, the Competitive Supplier shall reimburse the Municipality for all costs, up to the estimated dollar amount, reasonably incurred by the Municipality in connection with such efforts.

The Municipality or Program Manager may assign this ESA without the prior consent of Competitive Supplier provided that the proposed assignee has at least the same financial ability as the Municipality or Program Manager and such assignment would not materially impair the rights and interests of Competitive Supplier under this ESA. The rights and obligations created by this ESA shall inure to the benefit of, and be binding upon, the successors and permitted assigns of, the respective Parties hereto.

For the purposes of this provision, "direct marketing" shall include any telephone call, mailing, electronic mail, or other contact between the Competitive Supplier and the Consumer. EXHIBIT D - DATA REQUIREMENTS

In order for program administrators and participants to have visibility into their participation with the program, certain data will need to be exchanged, in a regular format, with regular transmission methods and times.

There are three file formats currently in use for this purpose which must be provided by Competitive Supplier to Program Manager:

1. Newly_Eligible_Consumer file - Competitive Supplier will obtain this data quarterly from the Utility and the notification mailing is made from the list following procedures described elsewhere in this ESA. The Program Manager requires a matching dataset as defined below in order to perform it's duties for customer service during the opt out period.
2. Post-enrollment file - After the Competitive Supplier sends enrollments to the Utility, either at the beginning of this contract or after a Newly Eligible Consumer opt out period, the Competitive Supplier will send this file to the Program Manager to update its records.
3. Commission file - Standard practice for aggregation suppliers.

The abovementioned files should, at minimum, contain the following information:

<u>Newly Eligible Consumer file</u>	<u>Post-enrollment file</u>	<u>Commission file</u>

File transfer between the Supplier and Program Manager, or a party designated by Program Manager, shall be by SFTP or other secure mode.

EXHIBIT E - OPTION FOR ALTERNATIVE SUPPLY OF POWER

Competitive Supplier may provide power to Participating Consumers, including through the purchase of REC's, throughout the term of this ESA and from sources selected in Competitive Supplier's own discretion. However, Program Manager desires to explore opportunities to build or contract with a third party to supply renewable sources of energy (the "Renewable Power Source") after the Execution Date for the benefit of the Participating Consumers and of the renewable power market. Upon completion of any such Renewable Power Source (the "Third Party Agreement") the Program Manager may offer to sell output from the Renewable Power Source to Competitive Supplier, either directly or through an Associated Entity, under a separate Power Purchase Agreement ("PPA"). Program Manager understands and acknowledges that (i) Competitive Supplier shall have no obligation to enter into a PPA during the term of this ESA; and (ii) if Competitive Supplier agrees to enter into a PPA, then completion of a PPA is contingent upon (without limitation) Competitive Supplier's confirmation (in its sole determination) that (a) the terms are in compliance with all rules, laws and regulations; (b) it has internal senior management approval after completion of financial, credit, legal and operation due diligence; and (c) the Parties have executed an amended ESA to incorporate terms of the PPA. In the event that Competitive Supplier elects not to enter into a PPA as described above and Program Manager enters into a Third Party Agreement, then the terms of this ESA shall remain unmodified and in full force and effect.

If Competitive Supplier elects to enter into a PPA as described above, Competitive Supplier agrees to review a roster of Renewable Power Sources pre-approved by Program Manager and Competitive Supplier who retain a PPA form consistent with the needs of Program Manager and Competitive Supplier, *provided, however*, that final determination of a Renewable Power Source provider shall be in the sole discretion of Competitive Supplier and may be a source not listed on the roster.

In the event Program Manager identifies output from Renewable Power Source(s) that Program Manager desires to assign to or request that the Competitive Supplier use in the Program, Program Manager will describe whether each product is unit-contingent or smoothed, and Program Manager will describe the projected (if unit contingent) or committed quantity (if smoothed) for RECs, Capacity and/or kWh, including time blocks for the product, if appropriate.

Competitive Supplier and Program Manager will then discuss the best strategy for moving forward, including whether Competitive Supplier desires to solicit offers from the free market for like quantities of power, REC or capacity.

In such case, the Parties agree to negotiate, in a commercially reasonable manner, a rate adjustment to Participating Consumers to (a) compensate Competitive Supplier (or an Associated Entity) for any losses should Competitive Supplier (or an Associated Entity) need to then sell off any of the original power purchased to supply the Program at a lower price than it purchased it for, or (b) compensate Participating Consumers for any gains should Competitive Supplier (or an Associated Entity) then be able to sell off any of the original power purchased to supply the Program at a higher price than it purchased it for. Any such rate adjustment shall only amend or

modify the ESA by a written instrument signed by all Parties hereto. For avoidance of doubt, the foregoing does not obligate Competitive Supplier or Program Manager to come to an agreement regarding a rate adjustment.
