

**Community Choice Aggregation
Recertification for 18 points
Town of Bedford
07/05/22**

We are seeking 18 points for CCA population 5,000 to 39,999. Attached is the confirmation for both the current NYSEG contract and the just-ended ConEd contract. NYSEG, which covers the majority of the Town of Bedford was paused and re-launched mid-March. The ConEd contract ended on 6/30/22 and the town is currently soliciting bids for a November 1st restart.

Also attached is 2018 census data (from census.gov) for the Town of Bedford confirms a population of 17,755 for an additional 6 points.

Description of Implementation

Previous

Attached is a notification from NYSERDA approving the town's CCA High Impact Action submission. Also attached is a press release stating Bedford's designation as a Clean Energy Community, which lists implementation of CCA as one of its four high impact actions, and census data from census.gov.

Current

Attached is a notification from NYSERDA approving the town's CCA High Impact Action submission. Also attached is a press release stating Bedford's designation as a Clean Energy Community, which lists implementation of CCA as one of its four high impact actions. For the current contracts, attached is the NYSEG contract and the just-ended ConEd contract. NYSEG, which covers the majority of the Town of Bedford, was paused and re-launched mid-March. The ConEd contract ended on 6/30/22 and the town is currently soliciting bids for a November 1st restart. The Town of Bedford is submitting for 18 points, and census data from census.gov for confirmation of the population is attached.
