Re : Permission To Operate

Date:	October 28, 2021
Service At:	140 Hommocks Rd
	Larchmont, NY 10538

Case Number: MC-466439

Dear Stephen Altieri,

Your interconnection distributed energy resource project at the above service address has been granted Final Acceptance to operate in parallel with Con Edison's system as of the date of this letter.Please review this email and contact your CPM immediately if there are errors or concerns.

This authorization is limited to a determination that the installation described below has been accepted by Con Edison. It is your responsibility to ensure that your DG equipment is in compliance with any other jurisdictional codes and ordinances, and as per your contract you are required to obtain all environmental and other permits necessitated by governmental authorities for the operation of the unit.

- Final As-Built kW - Solar : 400 kW

- Con Edison Account Number: 59091414478200

- Con Edison Meter Number: 9052144

All system modifications, annual and periodic verification tests of the facility shall be conducted per New York's Standardized Interconnection Requirements. The generator-owner shall maintain verification test reports for inspection by the utility.

If you have any further questions or concerns, or feel you are receiving this notice in error, please contact your Con Edison Energy Services representative via the Power Clerk web portal or via the contact information below. For billing inquiries please call us at 1-800-75-CONED (1-800-752-6633), or at dgexpert@coned.com.

Sincerely,
Charles Scalia
