

Bicycle and Pedestrian Infrastructure: Bicycle Lanes and Signage

Village of Lancaster, Erie County, NY

Between Pleasant and Hinchey avenues, Central Avenue was striped with road markings that clearly define travel, bike and parking lanes in 2019. There is an 8-foot-wide parking lane on the east side of the street; one 10-foot-wide travel lane in each direction separated by a double-yellow line; and 5-foot-wide bike lanes running both north and south. Signage calling attention to the new bike lanes was also installed.
