subsidies that make these projects affordable.

Community Solar, a program of Sustainable Westchester, helps residents save 10% on their monthly utility bills while supporting the growth of local renewable energy, without adding any panels to your own home.

GridRewards is a Demand Response program where Con Edison will pay you to reduce electricity at peak demand times so they can avoid running old, inefficient power plants. Learn how to get paid to help the environment. Deadline to sign up and participate this summer is April 30, 2021.

Sustainable Landscapes are a way to save money and save the Earth. Learn how to turn your lawn into a sustainable landscape with native plants, pollinator gardens, no leaf blowers, Love Em' and Leave Em', Healthy Yards, composting barrels, and rain barrels.

And LOTS more information on how you can SAVE MONEY and SAVE THE PLANET by going green!

Here are TWO ways to get involved:

[SIGN UP for the forum and share your environmental concerns.](#)
